

WORKS NOTIFICATION

Night works

November 2018

Night works will be happening near you soon to reinstate the roads after completing the service location works.

Where

- On Greensborough Rd between Blamey Rd and Erskine Rd, the night of Wednesday 28 November
- On Greensborough Rd between Erskine Rd and Lower Plenty Rd, the night of Thursday 29 November

What we are doing

We are reinstating the road after completing service works. This involves:

- Resurfacing the disturbed areas of the road.
- Using heavy machinery to remove the temporary road fill, refilling with new bitumen and finishing with a vibrating roller.

These works will not impact your property or access, but you may notice:

- Noise due to use of heavy machinery.
- Lighting around work areas and to direct traffic.

Traffic controllers will direct traffic, cyclists and walkers around our work sites. To stay safe please obey instructions and signs.

We appreciate your patience and understanding throughout these service location works.

If you have any questions, please contact us on 1800 105 105.
