

NORTH EAST LINK

COMMUNITY LIAISON GROUP

TERMS OF REFERENCE

1. PURPOSE

Up to three Community Liaison Groups (CLGs) will be established by the North East Link Authority (NELA) as an avenue for community involvement, initially for North East Link's planning and approvals phase (2018-2019).

The CLG will contribute to planning for North East Link by:

- Involving community representatives in planning, particularly for local outcomes
- Establishing effective communication and consultation arrangements between its members
- Providing a local perspective, particularly in relation to minimising community impacts
- Assisting to identify local opportunities and issues
- Assisting in resolving community concerns where possible.

2. COMPOSITION

The CLGs will have an independent chairperson. Relevant NELA project team members will attend depending on meeting agendas.

Other members will represent:

- Local industry and business groups
- Relevant Councils
- Communities across the project area, including specific interest groups where appropriate.

Community and business representative positions are publicly advertised. Appointments are based on a formal selection process conducted by the NELA.

At the discretion of the chair, other individuals or organisations may be invited to provide support, presentations or submissions.

3. MEMBERS' RESPONSIBILITIES

Members of the CLG are required to:

- Attend CLG meetings and participate in discussions
- Represent the interests and views of their local community
- Disseminate project information, status and direction within their community, organisation or network, and convey feedback to CLG meetings
- Provide views and advice on issues raised through wider community feedback
- Restrict issues and debates to matters relevant to North East Link

- Respectfully accommodate a broad range of community perspectives to be considered in project planning.

4. OPERATION

The CLGs will be managed by an independent chair with secretariat support from NELA.

- All meetings will be closed forums
- Frequency of meetings will reflect project program and milestones but are unlikely to be more frequent than once a month or less frequent than once every two months
- Meetings are generally expected to run for two hours
- The chairperson will:
 - Determine a forward meeting schedule at the first meeting
 - Decide priorities for each meeting: the number of agenda items may be limited to allow for adequate discussion
 - Review issues to be dealt with (in consultation with NELA and the CLG)
 - Lead the group and facilitate discussion and participation by all members
 - Maintain the proper and professional conduct of the group
 - If issues and ideas raised fall outside the Terms of Reference, NELA will provide information to the relevant authority (eg VicRoads, TfV etc)
 - A Code of Conduct must be signed by all members.

5. ACCOUNTABILITY

The CLGs are a mechanism for community involvement. Details of activities and people involved will be publicly available. The composition of advisory groups, minutes of meetings and advice of activities will be published on the North East Link website and information could be included in other government publications.

6. EXPENSES

The North East Link Authority recognises community involvement should not be an impost on volunteers. Reimbursement of expenses may be offered depending on individual circumstances, as determined by the chairperson in consultation with the Director Communications and Stakeholder Relations.
