

# Works Notification

## Night Works

March 2019

Night works will be happening near you soon due to footpath reinstatement after completing December's service location works.

### Where

Bulleen Road, Manningham Road, Greenaway Street.

### When

Works are planned to take place between Sunday 17th and Wednesday 20th March.

Night works: 8pm - 4am

Schedule is subject to change and is kept up-to-date on our website.

### What we are doing

We are reinstating the footpath after completing service location works. This involves:

- Using machinery to cut concrete, remove the rubble.
- Prepare the footpath pad to be level and ready to receive the new concrete pavement.
- Remove the formwork and any pedestrian protective barriers.

These works will not impact your property or access, but you may notice:

- Noise due to use of heavy machinery.
- Lighting around work areas and to direct traffic.

Traffic controllers will direct traffic, cyclists and walkers around work sites. To stay safe please obey instructions and signs.

We appreciate your patience and understanding throughout these reinstatement works.
