NORTH EAST LINK

TOWARDS THE FUTURE

Planning for North East Link includes looking ahead: a lot of things will change before North East Link is operating. Here are a few ways we're preparing for the future.

North East Link planning includes	
 <p>Transport for our growing population</p>	<ul style="list-style-type: none"> ✓ Improving connections to existing and future public transport ✓ Providing bus priority on the new road
 <p>Melbourne's planning policies aim to make the 20-minute neighbourhood a reality</p>	<ul style="list-style-type: none"> ✓ Connecting existing paths and creating new local networks for cyclists and pedestrians ✓ Understanding how people will be moving between work and home
 <p>Driverless cars</p>	<ul style="list-style-type: none"> ✓ Working with specialists to keep up with current and emerging research
 <p>Better public places</p>	<ul style="list-style-type: none"> ✓ Collaborating with local government, the community and the Victorian Government Architect
 <p>Improving local safety</p>	<ul style="list-style-type: none"> ✓ Working with VicRoads and local government on safety and traffic management
 <p>Future jobs and education</p>	<ul style="list-style-type: none"> ✓ Efficiencies for businesses to help keep jobs in Victoria ✓ Connections that allow people to reach more education and job opportunities
 <p>Sustainability</p>	<ul style="list-style-type: none"> ✓ Encouraging innovative design and construction ✓ Consulting with government and community to best use resources
