

Works notification

January 2021

Day works

Site investigations will be happening near you soon as part of planning work for North East Link

What we'll be doing

We'll be doing more soil testing in your area over the coming months. This involves:

- Using a drill rig and support trucks to establish a bore hole
- Drilling a bore hole 35 – 50 metres deep and 15 centimetres in diameter
- Restoring the site after works are complete.

Where and when we'll be working

Greensborough Road, next to the Simpsons Barracks, Yallambie

- Monday 18 January to Friday 22 January.

Daytime drilling works will take place between 7:00 am and 6:00 pm, Monday to Friday. While these works will not impact your property, you may notice:

- Noise generated from the drilling rig and support trucks when in use
- Drilling rig operating during the day
- All equipment is contained within security fencing.

Traffic controllers will be directing traffic, cyclists and pedestrians when required safely around drilling sites. To ensure your safety and the safety of workers please follow any instructions and signs.

We will reinstate the work areas once works are complete.

We appreciate your patience and understanding throughout these works.

Schedule is subject to change. Visit northeastlink.vic.gov.au/works for schedule changes. If you have any questions, please contact us on **1800 105 105**

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices.
