

Works Notification

10 JUNE 2020

Extended use of an equipment laydown area near Lenola Street, Macleod

Early works for the North East Link Project is well underway to move 95 above and below ground services ahead of major construction on Victoria's biggest road project from 2021. As part of these works, the equipment laydown area on the corner of Greensborough Road and Lenola Street will continue to operate in support of construction activities.

What we will be doing

The site will be used to store construction equipment, such as:

- Pipe segments and other materials
- Machinery and vehicles
- Equipment and generators
- Containers and other storage.

The equipment laydown area will be accessed by work crews as required during early works construction. The laydown area will also be branded in North East Link hoarding in the coming weeks.

Where and when we are working

Corner of Greensborough Road and Lenola Street, Macleod

Access to the site will be ongoing from **Monday 15 June 2020**.

The equipment laydown area will be operational during the early works program until at least early 2021.

The laydown area will be accessed seven days a week, predominately during the day and intermittently at night. Day hours are from **7am to 6pm**, Monday to Friday and **7am to 1pm** on Saturdays. Night hours are **7pm - 6am** Sunday to Friday.

We appreciate your patience and understanding while we access this laydown area for early works.

Health and safety

The health and safety of our workers and the community is our key priority as we continue to deliver the North East Link Project, as is supporting physical distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.

For more information about Coronavirus (COVID-19), please visit coronavirus.vic.gov.au

Safety is our key priority

Reduced staff contact

Hygiene

Cleaning shared spaces and touchpoints

Use of personal protective equipment

Staggered shifts
