

Works notification

22 December 2020

Day/night works

Site establishment works at Boroondara Tennis Centre, Bulleen

We've started moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

From Monday 4 January 2021 we will commence construction of a work site at the Boroondara Tennis Centre, Bulleen Road, Bulleen to support construction of the Yarra East Main Sewer.

Construction snapshot

CPB Contractors will construct a temporary work site at the Boroondara Tennis Centre, as part of early works for the North East Link Project.

Works to construct the new site will include:

- Surveying
- Scanning the ground to locate services with handheld electronic equipment
- Using high-pressure water and a vacuum to carefully expose underground services and verify their location
- Installation of temporary fencing, lighting and traffic management
- Removal of vegetation
- Installation of a temporary car park
- Relocating the existing storage containers and garden shed
- Construction of a crushed rock base for the work area
- Implementing environmental controls such as tree protection, silt traps and dust suppression measures
- Installation of a temporary site caravan and toilets
- Construction of a launch shaft ready for the deployment of a mini Tunnel Boring Machine (TBM) in early 2021
- Intermittent night works to reduce potential interruptions to the tennis centre.

The phasing of these works is indicative only and subject to change within the times specified in the works notification.

When are we working?

7am to 6pm, Monday to Friday

7am to 1pm, Saturdays

8pm to 5.30am, Sunday to Friday for night works

Any work scheduled to occur outside these hours will only proceed after residents have been notified.

The project will shut down over the Christmas and New Year period from Wednesday 23 December 2020 to Monday 4 January 2021.

What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, such as a vacuum truck, an excavator, roller and vehicles
- Vibration while we compact the work site
- Changed parking arrangements.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au

Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate:

- Covering loads on trucks, when transporting excavated material and clean fill
- Dust suppression using water carts and binding agents
- Use of rumble grids on roads to reduce the transfer of dirt on local roads
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions, signage, and maintaining social distancing during the coronavirus pandemic.

We appreciate your patience and understanding throughout these works.
