

Works notification

12 January 2021

Day works

Reticulation sewer works at Trinity Grammar School's Marles Playing Fields, Bulleen

We've started moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

From **Monday 18 January** until the **end of March 2021** we will construct a reticulation sewer at the Trinity Grammar School's Marles Playing Fields, Bulleen Road, Bulleen as part of the construction of the Yarra East Main Sewer (YEMS).

Construction snapshot

CPB Contractors will construct a reticulation sewer along the northern boundary of Trinity Grammar School's Marles Playing Fields, forming a connection between the existing sewer network and the new YEMS.

Works to construct the new sewer will include:

- Surveying
- Scanning the ground to locate services with handheld electronic equipment
- Removal of vegetation
- Implementing environmental controls such as tree protection, silt traps and dust suppression measures
- Construction of launch and retrieval shafts ready for the deployment of a laser guided drill head in early 2021
- Boring and the installation of concrete sewer sections
- Construction of three maintenance holes for the ongoing inspection and maintenance of the sewer.

The phasing of these works is indicative only and subject to change within the times specified in the works notification.

When are we working?

7am to 6pm, Monday to Friday
7am to 1pm, Saturdays

Any work scheduled to occur outside these hours will only proceed after residents have been notified.

What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, including plant required to operate the drill head.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au

Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate:

- Covering loads on trucks, when transporting excavated material and clean fill
- Dust suppression using water carts and binding agents
- Use of rumble grids on roads to reduce the transfer of dirt on local roads
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions, signage, and maintaining social distancing during the coronavirus pandemic.

We appreciate your patience and understanding throughout these works.

Schedule is subject to change. Visit northeastlink.vic.gov.au/works for schedule changes. If you have any questions, please contact us on **1800 105 105**
