

# Works notification

6 November 2020

## Day works

### Simpson Barracks, Yallambie

Work is continuing to build North East Link with strict health and safety measures in place. As previously notified, works are continuing in the Simpson Barracks ahead of major construction of North East Link in 2021.

### What we will be doing

Preparation works at Simpson Barracks includes:

- Constructing new buildings, car parks, access roads and a new entrance
- Moving essential services, including a water main connection from Greensborough Road
- Demolishing existing Defence buildings and structures
- Earthworks, vegetation removal and salvage where possible
- Relocating the ANZAC Day service memorial.

Base security will be maintained at all times during these works.

### When and where we are working

#### Simpson Barracks, Yallambie

Works began in **early July** and will continue until **mid-December 2020**.

These are day works from **7am to 6pm**, Monday to Friday and **7am to 3pm** on Saturdays.

During October, works may need to occur from **7am to 7pm**, Monday to Friday.

### What you may experience

During these works you may notice:

- Work crews and construction vehicles operating in and around Simpson Barracks
- Intermittent periods of noise and dust, which will be monitored and controlled throughout the works
- Traffic management around any works happening near a road.

An independent arborist and wildlife handler will be on site to supervise unavoidable vegetation removal and transition wildlife safely. 'No-go' zones and fenced off areas will be established to protect remaining vegetation and wildlife.

Safety is our priority and we ask your assistance in observing and complying with safety instructions and works signage.

**We appreciate your patience and understanding throughout these works.**

The health and safety of our workforce and community remains our top priority.

Workers on all of Victoria's Big Build sites are required to wear face masks unless they meet any of the criteria for exception - such as a medical condition or for Occupational Health and Safety guidelines.

Physical distancing measures are in place as well as increased hygiene practices.
