

# Works notification

1 February 2021

## Day works

### Site establishment works at Trinity Grammar School's Marles Playing Fields, Bulleen.

We've started moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

CPB Contractors are continuing to develop the work site at Trinity Grammar School's Marles Playing Fields, Bulleen, during February and March to support construction of the Yarra East Main Sewer (YEMS).

### Construction snapshot

Ongoing works include:

- Assembling the mini Tunnel Boring Machine (TBM) in preparation for the start of tunnelling works for the YEMS
- Installing a crane to assemble the mini TBM at the launch shaft
- Continuing construction of the reticulation sewer and the mini TBM launch shaft
- Additional survey and service proving works near the existing dam
- Removal of vegetation to build a haul road to the southern end of the dam
- Implementing environmental controls such as tree protection, silt traps and dust suppression measures
- Installing temporary fencing, site sheds and toilets
- Earthworks to alter the dam.

### When are we working?

7am to 6pm, Monday to Friday  
7am to 1pm, Saturdays

Any work scheduled to occur outside these hours will only proceed after residents have been notified.

Visit [northeastlink.vic.gov.au/works](http://northeastlink.vic.gov.au/works) for schedule changes. If you have any questions, please contact us on **1800 105 105**

### Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices.

For more information about coronavirus (COVID-19) visit [coronavirus.vic.gov.au](http://coronavirus.vic.gov.au)

### What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, such as a grader, an excavator, roller and vehicles
- Vibration while we compact the work site.

### Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate:

- Covering loads on trucks, when transporting excavated material and clean fill
- Dust suppression using water carts and binding agents
- Use of rumble grids on roads to reduce the transfer of dirt on local roads
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions, signage, and maintaining social distancing during the coronavirus pandemic.

The phasing of these works is indicative only and subject to change within the times specified in the works notification.

We appreciate your patience and understanding throughout these works.

Please contact NELP if you would like this information in an accessible format.
