

# Works notification

8 April 2021

## Day/night works

### Service investigations in Watsonia

We're identifying utility services and conducting soil sampling investigations to make way for the North East Link.

Works are continuing to relocate services to make way for the North East Link. Investigation works are required to inform the design for the relocation of several gas services that are within the North East Link corridor.

There will be no disruption to your gas service while we undertake these investigative works.

### What we'll be doing

From **Monday 19 April 2021**, CPB Contractors will be identifying underground utility services and undertaking geotechnical investigations at Watsonia Station carpark, Watsonia Road, Greensborough Road, Elder Street, Dennett Street and Temby Street.

These works will take approximately **four weeks** to complete and will involve:

- Using scanners and radars to locate services.
- Non-destructive digging (NDD) to carefully expose underground services and verify their location. This involves using high pressure water and a vacuum to dig/pothole and the use of a concrete saw to cut into pavement.
- Geotechnical investigations including drilling boreholes to allow ground samples to be taken.
- Temporary traffic condition changes including local road closures, detours, lane closures, reduced speeds, traffic and pedestrian management as required.

### When are we working?

From **Monday 19 April** for two weeks, works will occur at:

- Watsonia Road, Watsonia (between Devonshire Road and Greensborough Road)
- Watsonia Station carpark
- Temby Street (at the corner of Greensborough Road)
- Dennett Street

**Working hours:** Monday to Fridays, 7am to 5pm; and Saturdays 7am to 1pm.

**Sunday 25 April and Monday 26 April**, works will occur at:

- Elder Street (at the corner of Greensborough Road)
- Greensborough Road (within the road reserve)

**Working hours:** 7pm to 5am.

From **Monday 3 May** for two weeks, works will occur at:

- Dennett Street
- Elder Street (at the corner of Greensborough Road)

**Working hours:** Monday to Fridays, 7am to 5pm; and Saturdays 7am to 1pm.

On **Tuesday 4 May**, works will occur at:

- Elder Street (at the corner of Greensborough Road)
- Greensborough Road (within the road reserve)

**Working hours:** 7pm to 5am.

### Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au)

When you're finished, please recycle.

## What this means for you

During these works you may notice:

- Our crew working in the area.
- Noise from large equipment including excavators, concrete cutting saws, a drill rig, jackhammering and vacuum and tip trucks.
- Temporary changes to traffic conditions, including road closures, lane closures, detours, traffic controllers directing traffic and reduced speed limits.
- At least 10 car spaces at a time will be temporarily unavailable at **Watsonia Station carpark** while we work in the area.
- **On street car parking** along Watsonia Road between Devonshire Road and Greensborough Road will be temporarily unavailable.
- While **night works** occur at Elder Street on the corner of Greensborough Road, traffic conditions will change. Detour signage and traffic controllers will be on site to direct traffic.
- Residential access will be maintained. There may be times when access to driveways may be interrupted and residents will be notified in advance.

- Pedestrian and cycle access changes may be required in some locations including the corner of Elder Street and Greensborough Road. Refer to signage in place.
- Bus Route 513 (Glenroy via Greensborough) will experience minor delays while we work at night due to detours in place at the Greensborough Road and Elder Street intersection.

## Night works

Works at the Elder Street and Greensborough Road intersection, and along Greensborough Road will be completed at night. Completing these works at night is safer for the community, our workers and reduces traffic impacts.

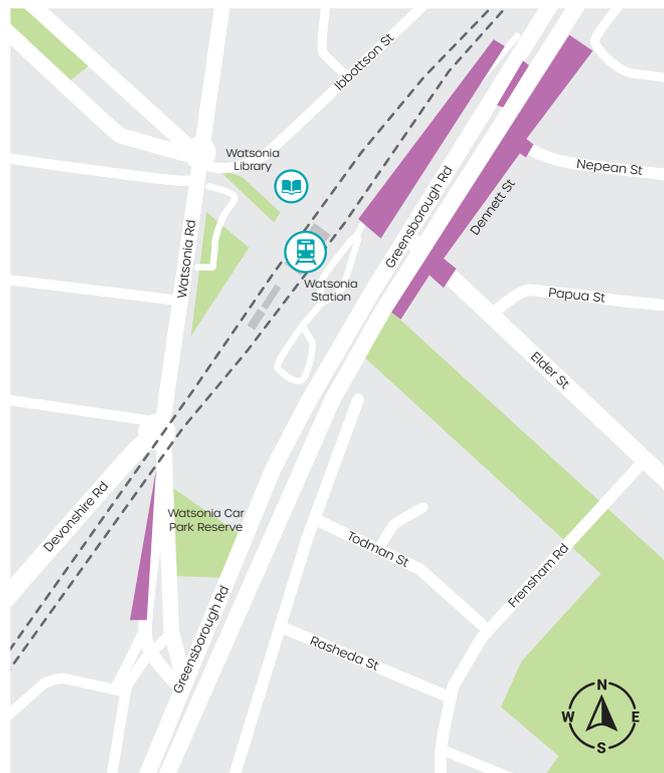

Residents directly impacted by the works will be contacted by the team prior to the works commencing.

Our community engagement team will be available to assist residents during the works.

Safety is our priority and we ask for your assistance with following instructions, signage and maintaining social distancing during current restrictions.

**We appreciate your patience and understanding throughout these works.**
