## Day works

### Service Investigations - Watsonia Station Car park

Early works for the North East Link Project is well underway to move 100 above and below ground services ahead of major construction on Victoria's biggest road project from 2021.

Investigation of ground conditions is required to further inform the planning of these relocation works.

#### What we'll be doing

CPB Contractors is identifying underground utility services and completing geotechnical investigations, which includes:

- Scanning the ground to locate services with handheld electronic equipment
- Saw-cutting into the pavement and using high-pressure water and vacuum to carefully expose underground services and verify their location
- A drill rig to bore small diameter holes up to 20m deep and digging test pits (approximately 1 metre wide x 2.5 metres long x 2.5 metres deep) to take ground samples
- Reinstating the work site when investigations are completed.

#### When and where we are working

##### Watsonia Station car park - day works

These investigations will take place from over **two days between Monday 11 January and Wednesday 13 January 2021.**

Our working hours are **Monday to Friday, 7am to 6pm; and Saturdays 7am to 1pm.** Please note dates are subject to change.

#### Temporary arrangements

Up to ten car spaces at the far northern end of the station car park will be occupied from 7am to 6pm during the works.

#### What you may experience

During these works you may notice:

- Work crews in the area
- Noise from plant and equipment, such as a concrete saw, vacuum truck and generator.

Our community engagement team will be onsite and available to assist residents and businesses who may utilise this section of carpark during the works. Safety is our priority and we ask your assistance with obeying instructions and signage.

**We appreciate your patience and understanding throughout these works.**

#### Health and safety

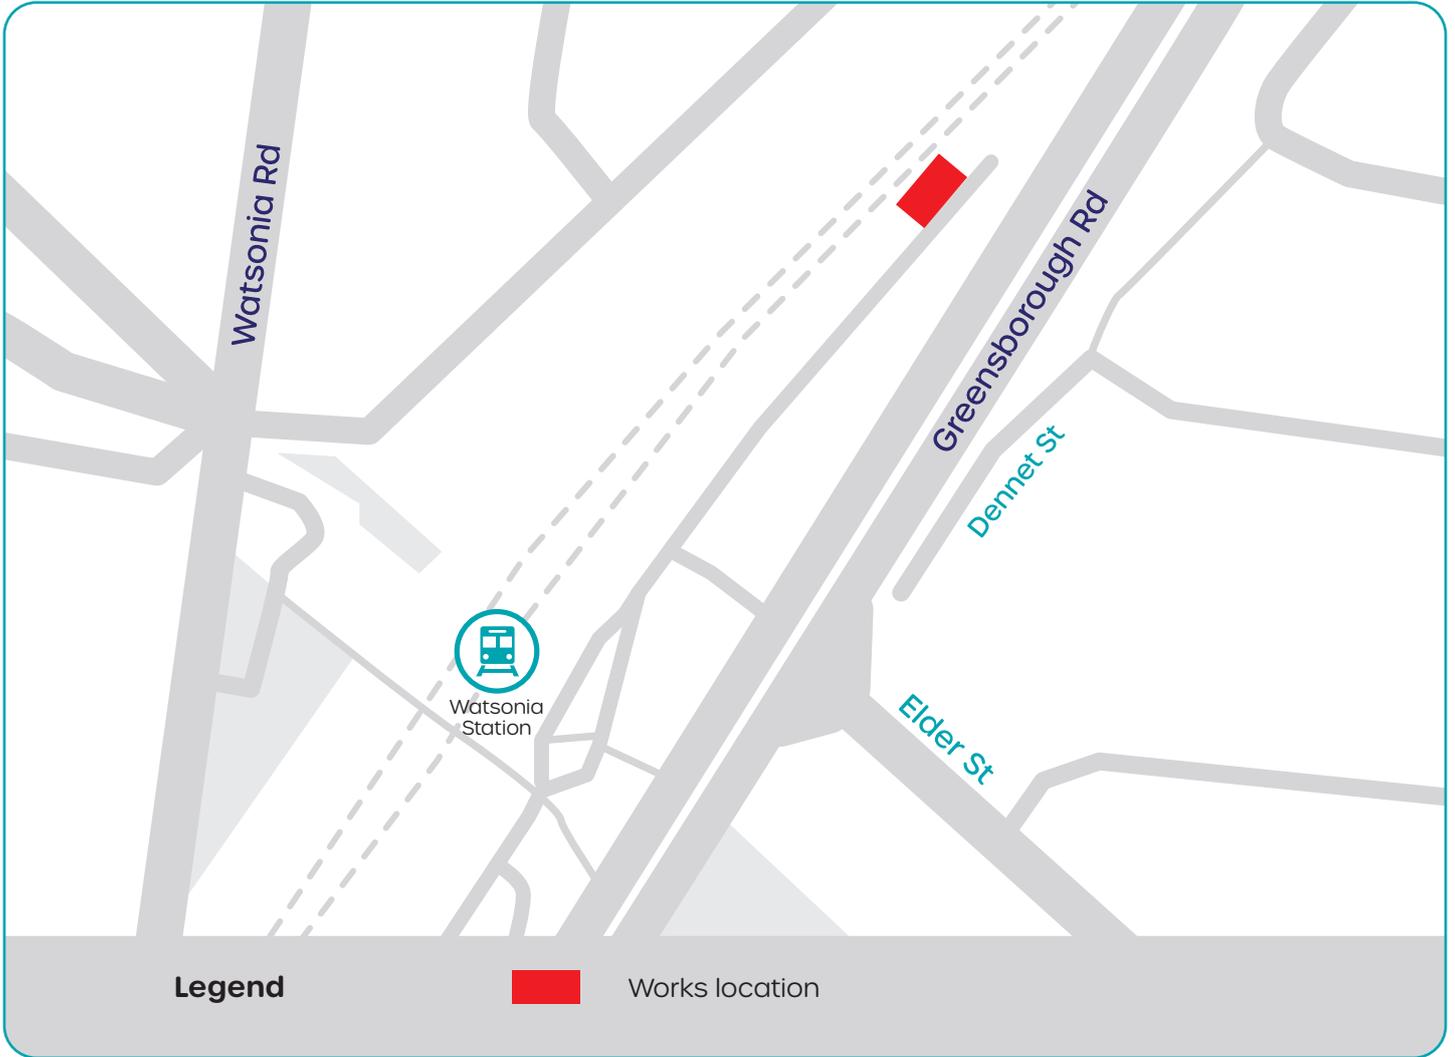

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au)
