Day works

Binnak Park Oval Works Update

CPB Contractors are continuing construction of the new Binnak Park Oval pavilion and sporting facilities into the new year.

These works will include:

- Construction of new cricket nets with synthetic turf
- Adjustments and upgrades will continue on the sporting oval including new drainage, irrigation, sports lighting and turf
- Installation of new light towers
- Demolition of existing pavilion
- Continued construction on the new pavilion with works to focus on the structure, external cladding and landscaping
- Installation of new scoreboard, oval fencing and shelters
- Localised electrical works on Anderson Parade for the sporting facilities upgrade
- Local traffic management in place for short periods of time on Anderson Parade. Full access maintained.

Where and when we'll be working

Work commenced in August this year and will continue until late 2021.

Works will be contained to the following areas:

- Within Binnak Park sporting oval and surrounding car parks
- Intermittently on Anderson Parade, Watsonia North.

These are day works from 7am to 6pm, Monday to Friday; and 7am to 3pm, Saturdays.

What you may experience

- Restrictions to some on street parking on Anderson Parade and Cameron Parade to enable deliveries of precast concrete and steel for the construction of the new pavilion
- Short term traffic condition changes on Anderson Parade at times
- May notice more deliveries of sand and turf during January and February while the oval is being resurfaced
- Work crews and an increase in construction vehicles in the area
- Noise from plant and equipment such as tippers, excavators, concrete trucks and generators
- Dust which the crews will control through regular watering and covering loads.

To stay safe, please obey all instructions and signs.

We appreciate your patience and understanding throughout these works.
